HOME SOURCE[®]

Home Source Industries of East Rutherford, N.J. is a family owned business founded in 2003 as an importer and distributor of a variety of items for the home and apartment. From dinettes, wall art and accessories, kitchen and home office storage options, metal beds, bunk beds, futons and click clacks distributed in the greater New York and New Jersey area. Continuing to grow and expand, today we service a customer base that encompasses the eastern half of the United States as far west as Texas.

Not only has our distribution area expanded, so has our product line. Stationary and Motion Upholstery, Occasional Tables, Dining and Master Bedroom have been added to make Home Source Industries a one-stop shopping resource not only for independent and multi-store retailers , but leading big box retailers and the ever expanding eCommerce channel, due to our ability to drop ship directly to consumers' homes.

Maintaining two state of the art, racked and automated warehouses and a staff of 100, Home Source Industries is committed to sourcing and distributing product designed for today's lifestyles that enhances the lives of our customers and ultimately the end user, while maintaining our core principles of a family-run business.

Sincerely,
Zack Evar
